## MADEIRA: new colour chart presented for best-seller

LEADING producer of embroidery threads **Madeira** announced the publication of a new colour chart for its best selling *Madeira Classic* yarn. The world best seller in 100% viscose rayon in standard thickness N° 40 is now available in 422 colours, including 35 in the ever popular *Ombre*, *Multicolor* and *Astro* shades. Different yarn counts that meet a variety of embroidery requirements have also been enriched with a broader range of colours. Click on following link for more details: [CLASSIC\\_news\\_10\\_2014\\_A4\\_ENG\\_ndf](#)

*Embroideries provide a highly effective means of personalizing and embellishing many types of bodywear and swimwear pieces and well merit the attention of brands.*
